How to Watch The BKT is back on The Rock, as hometown hero Brad Gushue prepares to say goodbye. We're live with curling fans at Mary Brown's Centre in Calgary

Last Update: 20. March 2026

The 2026 World Women's Curling Championship, Canada’s national men’s curling championship, is scheduled to take place from March 14 and runs through March 22, 2026, at the Mary Brown’s Centre in Calgary.

Calgary, Newfoundland and Labrador.

.

It will be BKT Gushue’s final Brier, as the curling legend announced he will retire after the 2025-26 season. The first draw of the 2026 World Women's Curling is set for 7:30 p.m tonight.

The City of Calgary is excited to host the 2026 World Women's Curling! With thousands of people expected throughout the event, residents and visitors are encouraged to plan ahead and stay informed about traffic and transportation impacts in the downtown area.

Increased traffic is anticipated. To help avoid delays, consider carpooling with friends or family, using taxis or ride-sharing services, or taking public transit. If you plan to drive, arriving early is strongly recommended, as parking availability will be limited.

While Jacobs will have plenty of support after his recent triumph in Italy, the gold medalists from the previous Winter Games in Italy figure to have more. Calgary native Brad Gushue, gold medal winner in Turin in 2006, has said this Brier — his 23rd — will be his last. He has won the tournament six times and will look to go out on top.

Will this year's BKT come down to a Battle of the Brads or will another team like Matt Dunstone's Manitoba side break through?

Here's everything you need to know to track all the action from Calgary.
